

# Water Bill Match

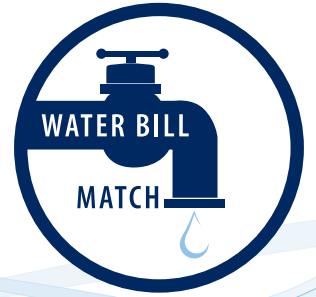

**Show your gratitude: Match your bill**

**Like no other resource, water is the foundation for life.**

Worldwide, over one billion people (roughly one in six) lack access to safe, clean drinking water.

**YOU CAN DO SOMETHING ABOUT IT.**

You can help communities around the world gain a sustainable source of safe water by participating in Lifewater's **Water Bill Match** campaign. **Simply match each month's water bill** with an equal donation to Lifewater and its ongoing projects in Africa, Asia, and Latin America. Your gift is a gift of life!
