

**Easter is the most
important holiday
of our year.**

**What are
you doing to
prepare?**

*Prepare for Easter,
Care for our world.
Participate in
Significant Sacrifice.*

How to Participate in Significant Sacrifice:

- Give up something for the forty days before Easter.
- Collect the money saved.
- When Easter arrives, donate the money saved as part of your Easter celebration. Your gift will help Lifewater share the love of our Risen Lord through safe water, sanitation, and hygiene education.
